

Dear Prospective Partner,

My name is Clayton Work, and I am the Partnership Coordinator at Indy Premier Soccer Club. Indy Premier Soccer Club was founded in 1979 (as Fishers Soccer Club) and continues to provide an unforgettable soccer experience for all ages and abilities. The Club is viewed as one of the top soccer clubs in the state of Indiana and is a growing presence in the Midwest soccer region.

Indy Premier Soccer Club is a 501(c)3 non-profit organization providing youth players the environment to enrich their lives through the soccer experience. We offer year-round programs for the youth of all ages and ability levels. Programs range from our Super Kicks for children ages 18 months to 5 years, Rec Plus Academy for players ages 5 to 19, to our Travel Program for players ages 7 to 19. We also hold multiple camps and events throughout the year.

Our teams play out of four main outdoor campuses; two in Fishers, one in Noblesville, and one in McCordsville. These campuses see over 5,000 individual youth players and over 10,000 parents/family members annually. Our Club also operates two indoor facilities year-round located in Fishers and Noblesville. The facilities see around 3,000 individual youth soccer players annually between the ages of 2-19 years old and over 6,000 parents/family members.

Community partners are crucial to the success of our organization. There are many expenses connected with running the Club, and we rely on funding/partnerships to fund our scholarships and our continuing growth. In choosing to support Indy Premier Soccer Club, we will make sure our funding partners are recognized and to feature your business as an active supporter in our community.

We work with businesses of all sizes and offer a variety of opportunities for companies seeking exposure to thousands of households in the northeast suburbs of Indianapolis. We have many opportunities available through events, facilities, and programs that may be a good fit for your marketing reach. I can provide further details of what we can offer, and I look forward to speaking with you further.

Best Regards,

Clayton Work
